

PRESS RELEASE

Inox Green signs agreements for O&M of 285 MWp of solar projects

- **Signs agreements for solar O&M of 285 MWp with two leading renewable companies**
- **Solar O&M portfolio reaches ~ 1 GW within a month of entering into the segment**
- **Plans to grow solar O&M assets through both organic and inorganic routes**

Noida, May 19, 2025: Inox Green Energy Services Ltd., India's leading renewables operations and maintenance ("O&M") service provider, announced today that the company has entered into agreements to provide O&M services for 285 MWp of solar projects of two of India's leading renewable energy companies. The projects are located across multiple sites which are owned by the said companies. With this agreement, Inox Green's solar O&M portfolio has grown to ~ 1 GW within a month of entering into this segment.

On this occasion, **Mr. SK Mathu Sudhana, CEO of Inox Green**, remarked, "We continue to rapidly add solar assets to our portfolio under O&M and we are delighted to announce that we have secured additional 285 MWp across multiple sites. As developers across India continue to add multi-gigawatt solar capacities every month, we believe that through our expertise, credentials and tailor-made solutions for solar project O&M, we are well placed grow rapidly in this segment."
